- Please name camellias where possible
- Only one entry per class, per exhibitor
- See following page for guidance on camellia forms

78. One Single
79. One Semi-Double
80. One Formal Double or One Rose Form
81. One Anemone or Paeony
82. One Seedling of your own – ANY FORM

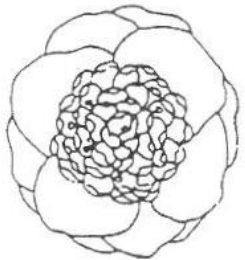

Camellia Forms

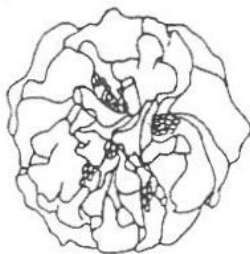

Single - shallowly cup-shaped flowers each have not more than 8 petals, arranged in a single row, and a conspicuous, central boss of stamens.

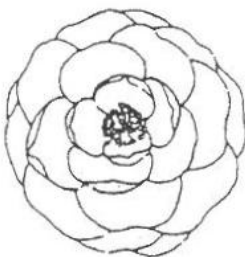

Semi-double - cup-shaped flowers each have 2 or more rows of 9-21 regular or irregular petals and conspicuous stamens.

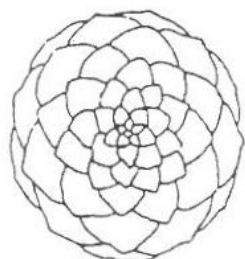

Anemone - rounded flowers each have one or more rows of large outer petals lying flat or undulating: the domed centre has a mass of intermingled petals and stamens.

Peony-form - rounded domed flowers have usually irregular petals, intermingled with petals and stamens.

Rose-form - cup-shaped flowers each have several rows of overlapping petals and open to reveal stamens in the centre.

Formal double - rounded flowers have many rows of regular, neatly overlapping petals that obscure stamens. Irregular double forms are similar but often have more loosely arranged, sometimes irregular petals.
