**THE RECIPE FOR THE MINI DECORATED CHRISTMAS CAKE
BAKED IN A 200g BAKED BEAN TIN IS ON THE NEXT PAGE**

RECEIPE FOR THE MINI DECORATED CHRISTMAS CAKE
BAKED IN A 200g BAKED BEAN TIN (makes 2)

Ingredients

38g baking margarine (e.g. Stork), plus extra for greasing tins

25g soft brown sugar

100g mixed dried fruit

50g self-raising flour

½ teaspoon mixed spice

1 egg

2 x 200g small empty baked bean tins (de-sealed for safety)

TO DECORATE:

250g ready to roll white icing

1 pack mixed colours fondant icing

100-200 g royal icing (for piping - optional)

ready-made Christmas icing decorations (optional)

Method

1. Make sure you have all your ingredients measured out and equipment ready.
2. Pre-heat the oven to 150C / gas 2.
3. Double line the sides and base of the bean tins with baking paper.
4. Use a wooden spoon to beat the baking margarine and sugar in a bowl.
5. Add the mixed fruit and spice. Mix well.
6. Crack the egg into a small bowl and beat with a fork.
7. Add half the egg and half the flour to the butter/fruit mixture. Mix well.
8. Add the other half of the egg and flour and mix again.
9. Divide the mixture evenly into the 2 tins.
10. Place the tins on a baking tray and bake in the centre of the oven for 50 minutes.
11. When cooked, cool for a few minutes in the tin, then remove from the tin, carefully remove the baking paper and leave on a cooling rack until cold.

To Decorate

1. Trim the rounded top off each cake. If you find you have got holes in your cake, fill them by gently pushing a little ball of fondant into them, smoothing the out top.
2. Spread a thin layer of jam all over your cake and sit it on your cake board.
3. Take half your white icing and knead it gently in your hands until it is soft.
4. Sprinkle a small amount of icing sugar onto the work surface and roll out the icing until it is big enough to cover the top and sides of your cake.
5. Carefully place the icing on the cake and gently push it onto the cake. Using a table knife, trim at the bottom, just a little bit bigger than the cake. Use the sides of your hands to ease the icing into the bottom edge of the cake.
6. Finish the decorating of your cake to your own design using decorations made from your coloured fondant and/or piped royal icing.
